

Join us under the stars on Saturday, September 20, 2025 from 7 - 10 pm for a magical evening that includes incredible food and drink, amazing music, and lots more as the Wabash County Museum turns East Market into the best night club in town for one night only!

Enjoy cocktails from a cash bar provided by MSG's The Franklin and non-alcoholic infused lemonades from The Sweet Shack while being delighted – and maybe enticed to dance – by incredible live music from the dynamic duo of *Alicia Pyle & Stephanie Carlson*.

This ticketed event is a fundraiser to support one of our most beloved artifacts: The interior restoration of our 1920s-era Caboose. Imagine stepping inside the fully restored caboose, where the scent of aged wood and clank of metal meet virtual technology that allows guests to “take a ride” through time. This restoration is more than a cosmetic update. It will combine *preservation, education, and innovation* to create a hands-on educational tool for field trips and visitors alike.

We invite you to join us as a sponsor of this important event which raises funds to support educational programming at the Museum. Sponsorship levels and benefits include:
